

Whitby Summer 2010

Whitby continues its tradition of offering summer programs that are full of wonder, fun and learning for children ages 2 through 14.

Children's House Programs

Whitby will again be offering our traditional Children's House summer classes for very young children that build on the school's heritage as America's oldest Montessori school and the region's premier early education program. This includes Stepping Stones Camp, Transition to Primary Camp, and Grow with Montessori Primary Camp. Summer Term 2010 will consist of two, three week sessions. **Programs will run 9am to noon (8:30 drop-off available) , Monday through Friday. There will be no camp Monday, July 5th.** Special arrangements can be made if your child cannot attend a full session. Please contact our summer program coordinator, Mr. Blake Glaeser, with any special requests or questions you may have. Mr. Glaeser can be reached at 203-869-8464 or at bglaeser@whitbyschool.org. To register, please visit our website at www.whitbyschool.org/summerprogram

Stepping Stones Camp

Age 2

Two 3-week sessions: June 21- July 9th; July 12 - 30th

The summer is an ideal time for children to experience the Montessori environment. Children will have fun experiencing nature through their senses, playing outdoors, enjoying water play and participating in art and language activities. The Stepping Stones summer program offers your child the opportunity to play, work and learn in the nurturing atmosphere of Montessori surroundings. Children need to be 2 years of age by May 1, 2010.

Transition to Primary Camp

Age 3

Two 3-week sessions: June 21 - July 9th; July 12 - 30th

This program is specifically designed to introduce children to the structure and routine of the Primary learning environment. The camp captures the essence of summer fun and learning through nature studies, literature, science activities, water play, creative movement, music, song, and arts and crafts. Children are given the freedom to choose from a wide range of individual and group activities, while developing friendships and learning to become responsible members of a community.

Grow with Montessori Primary Camp

Ages 4-6

Two 3-week sessions: June 21 - July 9th; July 12 - 30th

The experienced Whitby Montessori teachers encourage independence, respect for others and the environment, and nurture each child's innate desire to learn and grow. Throughout the camp program, children will discover science, counting and nature as they engage in many different hands-on activities. They will also participate in story time with corresponding art projects, all of which provides a balance of structure and flexibility that allows for the natural development of each child's physical, emotional, and cognitive skills. In addition, there will be time each day for playing outdoors, participating in group games, laughing, singing, storytelling, and observing the world.
