

Early Childhood Teacher

Whitby Montessori Children's House - Stepping Stones Program

Full-Time Position

Whitby School seeks a full-time teacher for our Stepping Stones Program (18 months through three years). Candidates will have experience in curriculum design, possess knowledge/experience with early childhood, and demonstrate the ability to teach and engage a range of students at all learning levels. Knowledge of Montessori pedagogy and International Baccalaureate is preferred, but not required.

The teacher must be comfortable working within a team environment and will be encouraged to make positive contributions to all areas of child development while monitoring/assessing student progress. The incumbent must maintain close communication with the team teachers and parents while displaying energy, enthusiasm, and humor. Teachers will be expected to contribute and share feedback to parents during conferences and in written reports.

KEY QUALIFICATIONS

- Bachelor's degree in related field or working toward completion of degree
- Ability to maintain confidentiality
- Ability to work as a team member
- Well-organized and detail-oriented
